KS2 STONE AGE DAY

Dear Parents/Guardians,

To start off our Autumn term topic, Key Stage Two are taking part in a stone age day, on **Tuesday 10th September 2019**. This day will be full of exciting activities and opportunities to experience what it was like to survive in the stone age. The children will take part in creating cave paintings, cave drawings and making stone age food that would have been foraged.

We also have a really exciting opportunity with our Forest Schools leader to make stone age weapons using natural materials found in the school grounds. The children will be outside for this session, therefore please can **all** children come into school wearing **warm/waterproof clothing** that you do not mind getting muddy. E.g joggers, hoodies, wellies. Please can all children **bring their uniform in a bag** for them to get changed into after their forest school session on this day.

If your child has any food allergies, please let their class teacher know as soon as possible.

We are super excited for our wonderful stone age day.

Thank you for your continued support.

KS2 Team
