14th February 2020

Dear Parents and Carers,

As you know, we as a school are working hard to educate children about current issues, both in our local community and the wider world. You will also be aware that in Australia at the moment, they are suffering greatly with the warm dry weather which is spreading the wildfires across the country.

One of our Year 4 pupils has raised her concerns about the damage that is happening to not only the people living there, but the wildlife as well. She felt so strongly about it that she has asked if we, as a school could raise some money to help the Wildlife rescue fund.

Having brought her ideas to the school council, we have agreed to hold a fundraising day after half term.

We will be holding our very own sponsored "Kangaroo Hop" to raise money for this worthy cause. This will take place on Thursday 27th February throughout the day, and we aim to complete a 1 hour "hop". Each key stage will "hop" for periods of time during their Bee Active PE sessions, and also at playtimes and lunchtimes.

We would love for everyone to get involved, and have therefore included a sponsorship form for family and friends to donate!

We look forward to our "stop and hop" moments throughout the day and hope to raise as much money as we can.

Thank you for your continued, and much appreciated support!

Yours Sincerely

Mrs Nevitt
