Dear Parents and Carers,

## **Year 4 Multiplication Test – Timetable Parent Masterclass**

The Department of Education have stated that all Year 4 children will take part in a Multiplication Test, at the end of the academic year. Children will have 6 seconds to answer each question that covers all timetables to 12x12 in a mixed order.

To prepare for the multiplication test, we have been practicing our timetables each week. The children are encouraged to use MathsFrame (<https://mathsframe.co.uk/en/resources/resource/477/Multiplication-Tables-Check>) which is a website that has a multiplication tables check, which will be very similar to the actual test in summer.

We would like to invite you to a Timetable Parent Masterclass. This masterclass will cover the information in regards to the test; give opportunities for you to see the test on MathsFrame and any activities that you can complete with your child at home to practice.

The masterclass will be on **Monday 30<sup>th</sup> March 2020 at 6pm**, if you wish to attend, please bring your child with you so you can look at the activities together.

We look forward to seeing you and your child.

Kind regards

Mrs Nevitt, Miss Jones and Mrs Masterson
