

'A happy place to learn and grow' Oxhey First School

Part of the  Children First Learning Partnership
Inspiring Excellence Together

 26th June 2020 

Visit our Twitter page for more pictures of this week's events @oxheyfirst

Dear parents/carers,

We have all really enjoyed sports week and had wonderful weather for it too. I know the staff in the water race were glad of the cooling effect when the cups of water tipped on them! I hope that you enjoy looking at the photographs. Congratulations to all the children who have received an award this week in school and a HUGE 'well done' to all our home-learners who are continuing to work hard on their weekly activities.

Have wonderful weekend,

Mrs Lorraine Jukes

Home Learning

The families who are not eligible to return to school or who's parents chose to continue to remain at home, the learning continues to be provided through accessing the school website. We are so pleased to see how a lot of families have engaged with this facility, please follow us on twitter to see the children's achievements. Keep sending the photos in via the Homework emails - we love to see the fun and progress children are making at home.

Thank you.

Important Notice

Children returning to school

Next week we look forward to welcoming more pupils back to school, we now have almost half of the children back for the rest of the school year.

If you require childcare and are a confirmed keyworker please contact the office to see if there is availability. Next week you will receive a letter regarding which class your child will be in from September, when we will hopefully be able to look forward to welcoming everyone back. We will keep you updated as much as possible with regards to how the school will operate from September as and when we receive guidelines from the Government.

Year 4

You should of all received an email from your teacher with regards to transition to middle school arrangements. If you haven't please email the class teacher.

Thank you to the Universal Music Sound Foundation UK for their grant to purchase a set of ukuleles for our KS2 children. We can't wait to learn to play.

Social Distancing

Polite reminder - please ensure only one adult brings and collects pupils to school and keeps their distance, both in the queues and whilst navigating the one way system.

This system is working very well and we appreciate parents support, but as numbers of returning pupils increase we would like this strict social distancing to continue.

This weeks awards

Little Ladybirds Nursery

We've had a fab week enjoying the lovely weather, carrying on with our under the sea theme, looking after the school garden and taking part in a fun sports day.

Keyworker children learning the song Mamma Mia for world music day 2020.

Social distanced sports day

The children in school along with the staff took part in a fun social distanced sports day. It was so hot but we had lots of fun.
