

Welcome to Key Stage 1 Terrific Turtles

Please adhere to social distancing and stick to the pathways on the one way system. Do not allow children to run around in the spotted areas or on the grass

Drop off: 9:00am Pick up: 3:20pm

We will be using the normal school entrance and exit for drop offs and pick ups using a one way system (video on website) that is clearly marked with arrows.

Please follow the path around the main school onto the playground. Please wait on and in between the **2m spaced green spots on the top playground** to be called forward one by one to the classroom door.

Please do not enter school until your allocated time to avoid queues.

If you have children with younger siblings, please drop off and collect your youngest child **first** then move along the one way system to drop off or collect your other children **even if it is earlier than the younger siblings drop off/pick up time. Staff will be waiting on their doors to collect them.**

This is only for children with siblings.

No bags to be brought to school.

You will only need a coat and a named water bottle which will be sent home daily to be washed.

Please bring a healthy snack for playtimes.

At dinner time, we will be having a picnic lunch in our classroom or outside if the weather permits and hot dinners in the hall.

Fully disposable lunches if you are bringing your own please, no lunch bags or boxes.

Children to **come to school wearing PE kit** (school shorts, t-shirt and jumper/ cardigan—dark joggers/leggings for cold weather) every Thursday from Thursday 10th September. Children will stay in their kit for the full day.

We will be delivering a full curriculum from September.
