Dear parents and carers,

As always, we have had a busy, action-packed and fun week. As you all know Mr Williams retired in the summer and we now have a new site supervisor. You may have noticed Mr Hampton about on site. We are pleased to welcome him as part of our Oxhey family.

We would usually be preparing for our KS2 Harvest service at St Lawrence Church. Unfortunately, due to Covid, we will not be able to attend church this year and so we have planned something different in conjunction with St Lawrence, as well as other special activities and learning about Harvest in school. There will be a special feature on next week's newsletter for you to enjoy.

Have a great weekend, take care,

Mrs Lorraine Jukes  
Head teacher

## Harvest

Harvest will be different this year and whilst we can't participate in the local church festivals we are supporting St Lawrence's Church and our local food bank by asking for food donations. Donations should be made directly to St Lawrence's and not here at school please. This is a wonderful organisation that needs our support more than ever at this difficult time.

On Saturday 10th October it is World Mental Health Day. On Friday 9th October we would like to show out support by asking children to wear their uniform but with a touch of yellow i.e. socks, headband, ribbon. We aren't asking for donations to the charity but if you wish to do so please see their website.

Further information will be available 2 weeks before on how you will provide consent for your child. This will be done as an email link rather than the usual paper form.

## Academy Photographs—16th October

We will be having school photographs all done following the correct guidelines. The photographs will all be individual photographs, unfortunately we are unable to take sibling photographs this time even if they all attend Oxhey.
