Dear parents and carers,

We have got our parents' evening coming up and this year it will be carried out via a telephone call appointment. These calls will be made in the week beginning 19th October. You will receive a letter next week inviting you to sign up for a slot that is convenient for your child's class teacher to discuss with you how they have settled in to class.

You will also have received a letter via your child's homework email address regarding pupil email addresses. Your child will have a label in their planner with an email address and password on. Please use the email address to send a 'test' email as detailed in the letter. This is so that we know everyone is up and running for if children need to access learning from home as part of our Covid -19 contingency plan.

Many thanks for your continuing support.

### Self isolating siblings

If any siblings have been sent home from school and are self isolating they must stay at home.

Please do not bring them on to our school grounds for drop off and collections.

If this causes problems then please contact the office and we will find a solution to support you. Many thanks.

### **Notices**

**Please do not allow your child to use the play trail when dropping off/collecting from school. We have been given strict quarantine rules between each bubble using it.**

**Please do not bring dogs onto the school yard unless it is an assistance dog. This has always been 1 of our school rules.**

### **TT Rockstar maths day**

**Wednesday 14th October**

**We will be enjoying a rockstar day to celebrate with lots of fun maths activities and TT Rockstar timetables competitions. If you're child wishes they can accessorise or dress up as a Rockstar for the day.**

### Snack

If you're child is bringing a snack from home it must be either a piece of fruit or veg please.

Yoghurts & cereal bars must be saved for lunchtime.

**Well done everyone**

## Harvest Celebrations

Harvest celebrations have started! Unfortunately our KS2 children have been unable to attend the Harvest Festival celebration this year however we have been able to enjoy a virtual assembly from St Lawrence's Church where we have learnt about thankfulness through story. The children have also enjoyed creating some wonderful art work which will be displayed in St Lawrence's Church throughout the Harvest season to mark the occasion.

We have also been learning how the food banks in Stoke-on-Trent support the community in times of need. If you would like to make a food bank donation you are welcome to take any tinned or packaged food item to St Lawrence's Church. Thank you for any donation you make.

 **BookTrust**  
Inspire a love of reading

All reception children have been gifted a book from the BookTrust to encourage reading together at home.

# Well done to this week's Tiger Learners and pupils of the week

A huge well done to all our WOW award winners this

Ethan was voted as player of the season for his football team last season.
