Dear parents and carers,

I cannot believe how quickly this week has gone by! You may have noticed that work has begun for the installation of a brand new scooter pod. The children have also been enjoying using our new gym equipment on the top yard. These wonderful school improvements have been funded by 'sports premium' as part of the school action plan that can be found on the website.

On behalf of the staff, pupils and governors I would like to thank Mrs Lynsey Pace for her dedication and very valued contribution to our Local Advisory Board during her term. We would like to wish her all the best for the future.

Since we now have a parent governor vacancy on our board we would welcome interested parents to express an interest if this is something that excites you. Our LAB is seeking a member with health & safety and HR expertise to fill this important position within our school leadership team. Please go to 'vacancies' in 'About us' on the website for the form and email to office@oxhey.staffs.sch.uk if you are interested.

Many thanks .

Have a great weekend from Mrs Jukes and the Oxhey Team.

Next week on 23rd March the children will be taking part in a class assembly as part of the 'National Day of Reflection'. This day marks the first anniversary of the first UK lockdown. We will think of those affected by Covid and look forward to doing all the lovely things we have missed in the near future.

Nursery places September 2021

We have places available in our Nursery for September 2021. If your child is 3 before the 31st August they are entitled to a free place in our Nursery for 15 or 30 hours.

Please contact the school office for more information on how to apply by calling 01782 513000 or emailing

ParentPay accounts

Please ensure your ParentPay account is kept up to date and any outstanding balances are cleared.

Any debts that exceed the debt limit (£20 for school lunches, £50 for extended nursery & tiger club) as per our debt policy will result in loss of use of those facilities.

If you have any questions or concerns regarding your ParentPay account please contact the school office.

COVID PROCEDURES

When your child is in school, if another member of the family/household develops COVID symptoms, you must arrange for your child to be collected from school immediately and the whole family/household must isolate together until either the test results have been received or the isolation period has been completed.

If your child has COVID symptoms they must remain at home and a COVID PCR test should be booked at a COVID testing centre. A lateral flow test at a lateral flow testing centre should not be used if COVID symptoms are present.

There is plenty of guidance and information on our school website or please see the latest guidance on the Government website.
