Dear parents and carers,

The children have loved their 'bump up' day in their new classes. We are really proud of how grown up and mature they were, especially our Y4 pupils who had their first day at middle school.

We are keeping our fingers crossed for sunny weather next week! We are looking forward to welcoming you all for sports days. Please see times and arrangements overleaf. We politely ask that once you have dropped your child off in the morning you make your way up to the school field where a member of staff will greet you. You will then be able to sign in and enjoy refreshments as you wait for the pupils to come to the field. Please only take photographs of your own child and please do not put any photos/videos of other people's children on social media for safeguarding reasons. Your child will be coming home with a programme of events for the morning. Finally, don't forget your trainers for the adults race!

Have a great weekend from Mrs Jukes and the Staff Team.

We discussed the 'Rule of Law' and how referees enforce the rules of a game, which helps make it fair and safe.

The theme for this year's Summer Reading Challenge is 'Gadgeteers'!

Science is all around you and this year, The Reading Agency are teaming up with Science Museum Group for a very special science themed challenge which will inspire you to use your imagination and creativity!
