Dear parents and carers,

The end of term is fast approaching and the year 4 children have been practising for their leavers' performance next week. We cannot wait to welcome you in this year to watch and enjoy the awards too. The Early Years pupils are also preparing for their graduation ceremony which they are very excited about. A huge well done to all KS1 children for their excellent behaviour on their trip to Manchester airport this week, they are certainly in the holiday spirit now!

Please check the diary for the 'Welcome To' evening relevant to you/ your child these are planned to ensure you feel fully informed ready for your child to move up to their new class in September. This evening will give you an opportunity to meet the teacher / TA and see the classroom. If you are unable to attend, please inform the office and they can ensure you have the relevant information e.g. where to come in, what day PE is etc. This will also be added to the classes page of the school website.

Have a lovely weekend from Mrs Jukes and the Oxhey Staff Team.

We're using Arbor's free Parent Portal and Arbor App

We've chosen Arbor to help us manage our school.

Arbor is a simple, smart and cloud-based MIS (Management Information System), which helps us work faster, smarter and more collaboratively as a school. The Arbor App and Parent Portal mean we can keep you informed about your child's life at school in a much more accessible way. Log into Arbor to see and update your child's information, get live updates and make payments or bookings on the go!

The Parent Portal works on Google Chrome (computer or laptop) and you can download the Arbor App from the App Store or Google Play Store on your phone (Android 5.0; iOS 10.0 and upwards).

How to get started

1. Wait for your welcome email from us telling you Arbor is ready - you won't be able to log in before
2. Click the link in your welcome email to set up your password
3. Go to the App or Google Play Store on your phone and search 'Arbor'
4. Click 'Install' on Android or 'Get' on iPhone then open the App
5. Enter your email, select the school, then enter your password
6. Accept the Terms & Conditions and enter your child's birthday

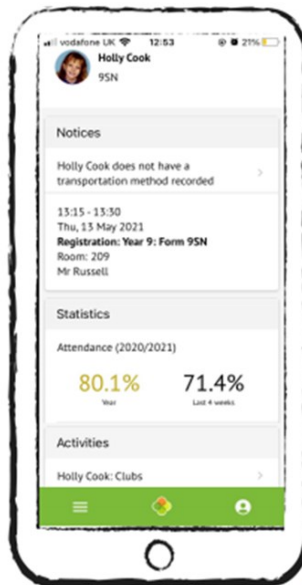

Need help using Arbor?

Contact the school office if you have questions about Arbor, the App or Parent Portal. Tell us the type and model of your phone, e.g. an iPhone SE, and include screenshots or screen recordings.

To safeguard student data in line with General Data Protection Regulations (GDPR), Arbor only works directly with schools.

Some tips to try:

1. Ensure your username is the email address you use for Arbor. Ask us to **check the email address** linked to your account.
2. **Reset your password** from the login page, or ask us to do this.
3. If the login email was sent to you more than 96 hours ago, the **password link will have expired**. Ask us to send it again.
4. Ask the school office to check that your email address has not been used twice - e.g. on another guardian or child's profile.
5. **Enter the birthday** of one of your children to log in.
6. Only relatives who are **Primary Guardians** of a child can access the Arbor App. Ask us to check you can access Arbor.
