On arrival you will be asked to fill in a consent form – if you have your child's NHS number please can you bring this with you as it helps our process (but don't worry if you can't find it)

If your child has tested positive for Covid they will not be able to have the vaccine until 12 weeks after the positive date (clinically vulnerable children need to wait 28 days following a positive Covid test)

There must be a 12 week gap between 1st and 2nd Covid vaccinations (clinically vulnerable children need to wait 8 weeks)

Once you child has been vaccinated they need to wait 15 minutes at the clinic.
