Dear parents and carers,

The children have enjoyed visits from two very special people this week...Santa and Elsa! They have loved their class Christmas parties and a very tasty Christmas dinner. A HUGE thank you to the PTFA for the Xmas tree, party items, presents, decorations and organising the fabulous Christmas fayre. 'Well done' goes to all the Rocksteady band members - they performed brilliantly in the concert on Tuesday. We are super proud of you all.

Is it Strep A?

Look for the rash

It has a 'sandpaper' texture. On pale skin it may appear red and have a rough texture. On dark skin it may not appear red, but it will have a rough texture.

Look at the tongue

Bright red with white coating, known as 'strawberry tongue'

Other symptoms may include:

- Temperature
- Headache
- Body aches
- Feeling sick
- Flushed red cheeks
- Dehydration

It can be difficult to tell the difference between 'Strep A' (invasive Group A strep iGAS) and other infections, such as strep throat and impetigo.

The bacteria that causes these infections can usually be treated with prescribed antibiotics.

Your GP may suggest a phone consultation to avoid spreading the infection.

Call 999 or go to A&E if your child is having difficulty breathing

There will be two performances during the day, one for EYFS & KS1 and another for KS2 pupils. What a lovely start to the new year! Thank you to the PTFA for their ongoing support and dedication to the children of Oxhey.
