January 2023

Dear Parents/Carers,

An exciting opportunity will be taking place in school on **Friday 3rd February**. NSPCC Number Day is taking place and we are proud to be joining in! Throughout the day, the children will be immersed in a range of mathematical activities that they will enjoy. Across the country, there will be an NSPCC TTRockstars battle taking place and we aim to make the leaderboard once again!

All children are invited to dress up as a number for the day. In previous years, children have worn t-shirts or tops with numbers already on them, clothes that have spots or stripes that could be counted, even spotty socks! Calculators, dice, a famous mathematician! Anything goes! There will also be a prize for best dressed in each class too!

The NSPCC is a fantastic charity supporting vulnerable children all over the country, and for this, we have set up a 'Just Giving Page' where you can donate online by following:

<https://www.justgiving.com/fundraising/oxhey-first-school6>

We are asking for a voluntary contribution of £1 and the money raised could help the NSPCC run its 'Speak out - Stay safe' programme to help children understand what abuse is and what to do if they're scared or worried, a cause in which we firmly believe in.

If you have any questions, please speak to your child's class teacher.

Many thanks,

Miss Walker
(Maths Leader)
