Friday 16th June 2023

Dear parents/carers,

It has been great to enjoy a 'normal' year, this year. With this in mind, we have several planned activities to prepare the children for their new classes in September so they can establish routines, begin to settle in and look forward to the next school year ahead. The events also enable teaching staff to have good knowledge of all children with a clear picture of each child's strengths, next steps and pastoral needs. Some of the transition events taking place include the teachers visiting the children in their current classes, teachers exchanging detailed information, parent "Welcome Meetings" and the big move up day taking place on Thursday 22nd June.

The table below explains the school structure for September 2023, as you will see there are some changes including Miss Eccleston being the new class teacher in Fabulous Foxes. Miss Walker has secured a post with Staffordshire County Council and we wish her all the best in her new venture and thank her for the amazing contribution to Oxhey First School over the last two years. We will miss her.

On Thursday 22nd June your child will spend valuable time with their new teaching staff and friends during 'move up' day. **Please note they will enter through their usual door and go home from their usual place on this day. On the 'Welcome To' evening the teachers will share where the children will enter and leave in September.**

Key Stage	Year Group	Class Name	Teacher/Lead	Teaching Assistant	'Welcome To' parent mtg 5-5:30pm Enter via main office
Early Years	Nursery	Little Ladybirds	Mrs Fletcher	Mrs Squires Mrs Davies	
	Nursery/Reception	Dazzling Dragonflies	Miss Barnett	Miss Johnson	Thurs 13.7.23
