Dear parents and carers,

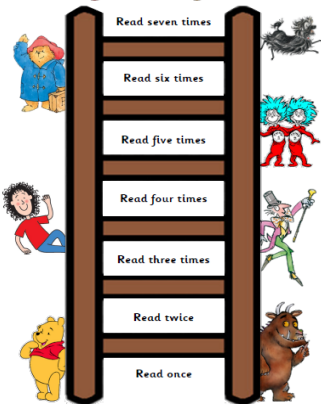

I am so proud of our year 4 pupils, they performed brilliantly in their leavers' play this week. They acted, danced and sung with huge smiles on their faces. The children were bursting with pride when they received their awards during the ceremony. It was great to welcome parents and family members in to share this fabulous experience. We are looking forward to the Early Years graduation next week.

A HUGE well done to all our rock stars too who raised the roof in their concert on Tuesday and to our EYFS children who behaved beautifully on their trip to the wildlife centre yesterday.

Have a lovely weekend. Best wishes from Mrs Jukes and the Oxhey Staff Team.

Summer holidays – Parents guide to help keep children safe online

Schools out for summer!

It's always best to be prepared

During the summer holidays, without the distraction of school, internet usage for many young people can increase all the way up to September. This guide is designed to help parents with a realistic approach to help keep their children safe when using the internet, social media and playing online games. Please click on each icon below for more information.

Online safety is when young people know who they can tell if they feel upset by something that has happened online.

Parents please contact your school if you would like to attend a parents internet safety workshop or have any concerns.

Schools please contact us if you would like a SKIPS Safety Net wallet delivered to your parent groups or staff.
