Dear Parents/carers

21st Sept 2023

On Monday 16th October we shall be hosting an Owl Experience for children in Little Ladybirds, Sparkly Spiders and Dazzling Dragonflies.

Gentleshaws Wildlife Centre and Bird of Prey Hospital shall be visiting us for the morning with their collection of owls and shall provide the children with a 45 minute workshop. This fabulous experience ties in with our topic that week based on the text 'Owl Babies' by Martin Waddell.

In order for this opportunity to go ahead we are asking for a contribution of £2.55 per child, which can be paid via your child's parent pay account. Unfortunately if not enough contributions are made then the visit will be cancelled.

Thank you for your continuing support.

Yours Sincerley
Mrs Christie, Miss Barnett and Mrs Fletcher
