A message from Mrs Jukes.....

Dear parents and carers,

As you are aware we had our Ofsted inspection this week. We enjoyed celebrating our amazing school with the Inspectors. Thank you to all our parents/carers that completed the survey - we value your support during this process. We look forward to sharing the report with you once it has been published in the coming weeks. On Tuesday 10th October it is World Mental Health Day. To raise awareness we are inviting pupils to wear a yellow accessory with their uniform. Mrs Holt will be emailing a letter with details of other activities and materials to support pupils, parents and members of our community.

Have a lovely weekend from Mrs Jukes and the Oxhey Staff Team.

In the spotlight this week ...

WOW awards.....

Our Picture News Debate this week is
'How important is space exploration?'

We discussed what we already know
about space and what we think we can
learn from exploring space.

[Congratulations to all our children
who completed their
Summer Reading Challenge!](#)

In all, 62 children from Oxhey First School
registered for the challenge at Biddulph Library
and 42 completed it, being awarded their
certificate and medal, along with house team points
at school!

We are really proud of you and we're looking
forward to next year's challenge already!
