A message from Mrs Jukes.....

Dear parents and carers,

Thank you for all your efforts creating the amazing 'number day' costumes - the children look fabulous. It has been really hard to choose a winner from each class! Pupils have taken part in problem solving activities and challenged themselves with lots of tricky maths today. Mrs Kane won the prize for correctly working out the shape puzzle... WELL DONE to everyone.

In the spotlight this week

WOW awards.....

This week in Picture News we have been thinking about sustainable fashion/clothing...

We discussed that when we need new clothes as our current ones no longer fit or we no longer need them, it's important to consider where they come from and their impact on the wider world. It is important to remember our actions have consequences, which can affect the environment.

Spanish club

Spanish Club have been busy learning the Spanish name for clothes, they have made their own models/pictures and labelled them.
