## **1. BACKGROUND**

The Pupil Premium is a government initiative that targets extra money at pupils from deprived backgrounds. Research shows that children from deprived backgrounds underachieve compared to their non-deprived peers. The Premium is provided to enable these children to be supported to reach their potential. The Government has used children entitled to free school meals (FSM), looked after children and service children as indicators of deprivation, and have provided a fixed amount of money for schools per child based on the number of pupils registered for FSM (for any length of time) over a rolling six year period. These children are known as our Ever 6 group.

## **2. ETHOS STATEMENT**

The Children First Learning Partnership offers a positive, inclusive, safe learning environment for its learners, in which everyone has equal and individual recognition and respect. We celebrate difference and are committed to the continuous improvement and fulfilment of potential in every child. We encourage increasing independence and confidence amongst the children. Everyone within the school has an important role to play in sharing responsibility for the development of positive attitudes to learning and excellent behaviour.

## **3. ELIGIBILITY AND FUNDING**

Pupil premium funding based on the number of pupils in school in October each year from the following groups:

- Free school meals;
- Looked after and previously looked after children;
- Service premium- whilst paid to schools with the pupil premium the service premium is not part of the pupil premium and eligibility relates to pupils with a parent serving in HM Forces or in receipt of a pension from the Ministry of Defence. This funding is to help with pastoral support. Pupils who attract service premium do not form part of the schools disadvantaged population or data.

### **Non-eligible pupils**

Schools may spend their pupil premium funding on pupils who do not meet the eligibility criteria but need additional support. Schools reserve the right to allocate the funding to support any groups of pupils the school has legitimately identified as being disadvantaged. E.g. pupils who are in contact with a social worker and pupils who are acting as a carer.

### **Allocation of additional funding**

All schools within the Children First Learning Partnership Trust will use the Education Endowment Foundation (EEF) Guide to the Pupil Premium. This includes the following 5 key principles of spending:

- Schools can make a difference in narrowing attainment gaps;
- Evidence-informed teachers and leaders must combine research findings with professional expertise to make decisions;
- Quality First Teaching helps every child;
- Funding must also support middle and higher attaining pupils not just lower attaining pupils;
- Focussing on a small number of carefully chosen priorities is effective-less can be more.

In line with the EEF Guide, all schools within Children First Learning Partnership Trust will adopt a tiered approach to Pupil Premium spending. They are as follows:

## **4. AIMS**

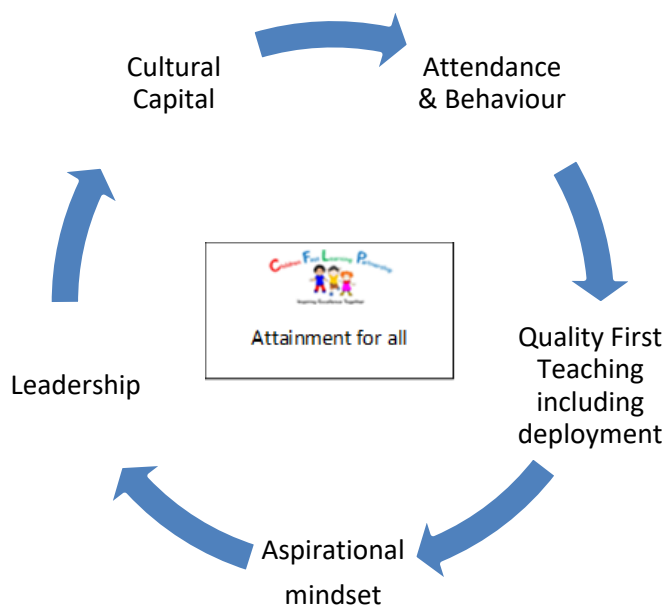

We have high aspirations and ambitions for our children and we believe that every child can achieve. By undertaking the approach of 'profile, predict and prevent' in our Triple A Strategy, the Children First Learning Partnership aims to achieve the following for all DA pupils.

By doing so we believe we will have an impact on pupils:

- self-esteem and confidence
- progress and achievement
- attitude towards learning and attendance
- well-being and mental health
- access to their full curriculum entitlement

**5. KEY PRINCIPLES TO ACHIEVE SUCCESS:**

## Quality First Teaching

Our Leaders believe this is the key to the success of the vast majority of our pupils.

- The high expectations of our staff, strong knowledge of educational pedagogy and the national curriculum content ensure lessons will move swiftly using AfL precisely to respond to needs.
- Our classrooms promote an honest, open and independent approach to learning where misconceptions are used wisely to embed and deepen learning.
- Pace is ambitious, weaving in time to practice, embed and deepen knowledge
- Reasonable adjustments are made to ensure all learners meet at least age related expectation and intervention is both swift, purposeful and specific to ensure those who are working below expected levels can achieve.
- Formative and summative assessment is used effectively to identify the gains pupils have made and our staff respond appropriately
- The deployment of resources such as staff is flexible and reflective to need.

## Aspirational Mindset

- We will promote a no excuses culture across all our schools where barriers are quickly challenged and the collaborative working of the MAT is used to tackle them with rigour and speed.
- Target setting will avoid all stereotyping and will ensure that opportunities are provided for our most disadvantaged to

## Attendance and Behaviour

- Our schools provide clear behaviour and attendance policies which are applied with consistency by all.
- Strong CPD support leaders to monitor, tackle and rectify any issues relating to behaviour, SEMH and poor attendance
- Intervention will be rapid, personalised and supportive, also extending into the home if appropriate.

## Cultural Capital

- Our schools recognise the need to enhance the breadth and range of 'life' experiences for many of our most disadvantaged.
- We will do this by ensuring all attend clubs, have access to all trips, are encouraged to learn how to play a musical instrument, are provided with access to high quality and wide range of reading materials and have time to learn and use a wide range of subject specific and creative vocabulary.
