Dear Parents/Carers,

NSPCC Number Day is taking place on Friday 7th February and we are proud to be joining in! Throughout the day, the children will be immersed in a range of mathematical activities. There will also be a nationwide NSPCC TTRockstars battle taking place in KS2 and we aim to make the leaderboard once again!

All children are invited to dress up as a number for the day. In previous years, children have worn t-shirts or tops with numbers already on them, clothes that have spots or stripes that could be counted, even spotty socks! Calculators, dice, a famous mathematician, anything goes! There will also be a prize for best dressed in each class too.

The NSPCC is a fantastic charity supporting vulnerable children all over the country, we have therefore set up a 'Just Giving Page' where you can donate online by following:

We are asking for a voluntary contribution that can be made by visiting our JustGiving page: [justgiving.com/page/oxhey-first-school-5](https://www.justgiving.com/page/oxhey-first-school-5) and the money raised could help the NSPCC run its 'Speak out - Stay safe' programme to help children understand what abuse is and what to do if they're scared or worried, a fantastic cause I'm sure you'll agree.

If you have any questions, please speak to your child's class teacher.

Mrs Taylor  
Maths Leader
