

French

Composites and Components in French

A **composite** in French is a phrase or a series of words, spoken or written, in order to communicate

Each lesson is a **component** that will build up to the **composite**.

1 Warm up!

Recap prior knowledge

3 Teach and Model

Listen to and repeat new vocabulary and phrases

Call and response with teacher, peers and
Specific resources

5 Review and Reflect

What have we learnt today?
How does our learning link with
prior knowledge?
AFL for assessment and next
steps in learning

2 Explore

AFL/Sharing LO/Steps to success
Share context and prior experience
Why is this important?
What will success look like and
how will we achieve it?

4 Practise and Apply

Practise and consolidate new
vocabulary through spoken and
written tasks with appropriate
scaffolding (including working walls)
Embed, call and respond, converse,
write
