

Instrumental Music Lessons

Dear Parent / Carer,

Oxhey First School are working in partnership with Entrust Music Service Staffordshire to provide music lessons for pupils. Learning a musical instrument is great fun, challenging, develops skills for life and can lead to a lifelong interest in music, career paths, the chance to work as part of a team and the opportunity to make new friends.

Your child may have already been learning to play an instrument at school or at a previous school. They have also watched a demonstration assembly at school, and we would now like to give them the opportunity to learn a musical instrument with lessons as part of a group.

Here's how it works:

- Lessons take place during the school day
- Lessons available are **Drum Kit / Piano / Woodwind / Strings / Brass / Guitar**
- Your child will learn as part of a small group in either 2s or 3s
- Lessons must be paid for in advance and invoices will be sent out termly
- Instruments (except Piano/Drum Kit) are available for loan from the Music Service free of charge. The Music Services has access to roll-up Keyboards and Drum Pads for home practise

Lesson costs for the academic year are:

£90 per Term – which on average is 12 x 20-minute lessons. This breaks down to £7.50 per lesson. Please do come to the school (in confidence) if you require some financial support. The Music Service has partners that can match finds lessons (half-price) or have free lessons (criteria dependant).

What to do next:

Please return this form by **Friday 3rd July 2026 or as soon as possible**, stating which instrument your child would like to learn. Music lessons will then be added as a new payment item on ParentPay, and we kindly request payments of £90 for the autumn term by **11th July 2026** so we can confirm the timetable with Entrust before the school holidays.

Yours Sincerely,

Mrs Holt
